Island Electronics Security & Monitoring Ltd

Did you Know...

You can secure your home for as little as **\$799!**
First month monitoring is FREE!

With an easy-to-use First Alert Professional security system, your home and family can be protected from fire and intruders.

Your \$799 system includes:

- First Alert Professional 48 zone wireless control panel (Panel is expandable to accommodate additional zones)
- Backup battery
- First Alert Professional keypad
- 4 door or window contacts
- First Alert Professional wave 2 interior siren
- Wireless motion detector
- Wireless smoke detector
- IEL yard sign and stickers
- 24 hour a day monitoring
- 911 Police and Fire department notifications
- Services limited to current system coverage
- Additional services may be purchased at additional costs
(36 month contract with automatic payment plan required)

Already have a security system?

Switch your monitoring to IEL and your first three months are **FREE!**

Pay just \$50 per month after that.
